

RACHEL'S ARMY

9 WAYS TO PRAY FOR ISRAEL:

** Pray for peace over Israel and for the preservation of life - both Jews and Arabs.*

** Pray for Israel's defense force as they respond to this surprise attack.*

** Pray for the protection of friends and families who have been called into the reserves and who are preparing for a possible ground operation in Gaza.*

** Pray for those who have been taken hostage, that they would be kept safe and rescued speedily.*

** Pray that the barrage of rockets would stop and that the Lord would supernaturally protect Israel from missile attacks.*

** Pray for those in the border communities around Gaza that are still in lockdown hiding from terrorists in their communities.*

** Pray that hatred and incitement would cease and that the power of God's love would minister to hearts and minds across Israel and Gaza.*

** Pray that the body of believers would find opportunities to provide hope to those who are suffering.*

** Pray that God would shine His light in the midst of a dark situation.*
